About quba GROUP

Our parent company is a well known name in the Indian architecture hardware industry. Established in 2010, it inherited a legacy in the hardware business combined with in-house manufacturing capabilities. The group is driven by good design and an emphasis on superior quality and distinctive aesthetics. It works with a varied range of individual retail customers, professionals and a variety of businesses. It strongly believes in a harmonious blend of technology and beauty - without compromises in either aspect - in order to be the best in the industry.

The Quba Group Brands:

Architectural
Hardware Fittings

Crafted with utmost passion and an eye for aesthetics, Quba brings to you a wide range of elegant, innovative and reliable security solutions.

Kitchen and Furniture
Hardware Fittings

Unlock space in every corner with Symmetry. Smart and innovative kitchen and furniture fittings to make maximum out of your space and organise better.

Glass
Hardware Fittings

Arteza's sophisticated and ultra-practical design language blended with superior engineering and good looks makes it a perfect fit to your home decor. Arteza collection ranges from designer architectural glass fittings to smart door control systems.

Inspiring
bath Concepts

Beauty is made of details. Be it the contours, form or finish, Agua makes everyday bathing experience exquisite with the collection personifying elegance and minimalism design.

Quba is luxury hardware brand by the QUBA Group that embodies passion, individuality and authenticity. With a and inspires while staying sustainable in function and form.

Since it's inception in 2010, the brand has brought together and reined designs, exquisite craftsmanship and cutting edge technology to create pieces of art disguised as hardware. A true relection of bold and progressive ideals, QUBA is synonymous with modern luxury. The brand caters to people with a reined palate.

Experience excellence with QUBA's masterfully crafted collections that add a touch of grace with a whi of elegance to contemporary living spaces.
